

WWW.RACEDAYRUSH.COM **INTERACTIVE**

The internet's ONLY online interactive head to head indoor cycling site featuring real race videos.

FOR IMMEDIATE RELEASE

RACEDAYRUSH INTERACTIVE is the BEST online racing community. Now, you can connect your trainer with an unlimited number of other pedal mashers across the web for a virtual ride. Join a group workout or challenge your friends around the world to a race over many of our videos.

Features:

- Streaming online video where you can workout by yourself or race others across the planet
- Pre-programmed profiles based on real rides and races filmed from the cockpit of a rider
- SMS (Text) trash talking between participants and racers
- Tracked workout logs enabling monitoring of progress and personal bests
- Currently available for Windows based operating systems. Mac OS version coming soon.
